Dear Sirs:

Sub: Inauguration of HBL's Train Management System in Eastern Railways - Reg

We wish to inform the stakeholders that HBL's Train Management System (TMS) has been inaugurated by the General Manager of the Eastern Railway in Sealdah division of Eastern Railway on August 31, 2023. TMS integrates real-time data from signals, track circuits, and points directly from station interlocking system to present an integrated view of train operations at a central control room. TMS helps in improved traffic planning and control, quick recovery from emergency situations, accurate real-time information of running trains to public etc. The TMS Control Room installed by HBL in Sealdah Division covers 30 railway stations.
