

Dear Sir / Madam,

Greetings from KFintech !!!

Please note that, while checking the investor corners of the company's website, we observed that some of the information provided needs modification. We are providing the necessary information and would request you to make the necessary changes / updation.

Current information as given below :

1. Address:
KFin Technologies Ltd.
Selenium Tower B, Plot 31 & 32, Financial District, Nanakramguda, Serilingampally
Mandal, Hyderabad - 500 032, Telangana.
2. Email id - einward.ris@kfintech.com
3. Website: <https://www.kfintech.com> and / or <https://ris.kfintech.com/>
4. Toll free number 1- 800-309-4001
5. Removal of the FAX number (040) 2342 0814 as the same is no longer valid.
6. Removal of board numbers - (040) 6716 1500 / 6716 2222 (due to WFH, these are sparsely managed and hence might be causing the customer complaints)

KPRISM - Now you can download the mobile app and see your portfolios serviced by KFINTTECH. Check Dividend status, request for annual reports, change of address, change / update Bank mandate and download standard forms. Register one time to use all the functionalities available on the website and / or the android mobile app.

Website - <https://kprism.kfintech.com/>

Play Store - <https://play.google.com/store/apps/details?id=com.karvy.kprismv3>
(Android mobile application)

QR Code - As given below.

Also, request to introduce the KPRISM mobile application in the annual reports by inserting the following lines as and when the same is being drafted for the year.

Members are requested to note that, our Registrar and Share Transfer Agents have launched a mobile application - KPRISM and a website <https://kprism.kfintech.com/> for our investors. Now you can download the mobile app and see your portfolios serviced by KFINTTECH. Check Dividend status, request for annual reports, change of address, change / update Bank mandate and download standard forms. The android mobile application can be downloaded from Play Store by searching for "KPRISM". Alternatively you can also scan the QR code given below and download the android application.
